

The Michigan State University Counseling Center

Sexual Assault Program

2008

Teal Ribbon Award

A teal ribbon is the international symbol for sexual assault awareness. Our MSU Sexual Assault Program developed the Teal Ribbon Award to honor those who provide leadership in reducing sexual violence on our campus. Dean James Forger & the College of Music are innovative leaders in increasing awareness of sexual violence within their college and the greater campus community. In 2007 the College of Music developed and implemented educational seminars to prevent sexual harassment and abuse from occurring within the College. This creative effort serves as a model for the entire academic community.

The MSU Counseling Center Sexual Assault Program was pleased to honor Dean James Forger & The College of Music as the recipient of the 1st Annual Teal Ribbon Award on Monday, March 24, 2008.
